Section 3 > Authorization

By electing to have my reimbursements directly deposited into my bank account, I understand that:

- All direct deposits will be initiated on the same day as the normal check reimbursement date. Deposits may take three to five (3 – 5) business days to appear in the designated account.
- It is my responsibility to notify Delta Dental immediately of any changes in my bank account, such as account closure or change in account number. If there is an interruption in the direct deposit service, I will receive checks for any reimbursement claims paid during that time.

I have read and understand the guidelines stated above. I hereby certify the information on this form is accurate. Further, I understand my completion and submission of this form authorizes Delta Dental to issue payment directly to the specified account.
